Echoes of 1977

We hear the sounds again ... echoes of 1977 ... the year we learned basic life support ... the year the girls' basketball team got it all together ... the year some classes stretched our ability to think critically, while others stretched our knowledge of practical information ... the year we still had to raise money for activities ... the year the Commons took on more of a Charger look ... 1977.

Young team meets new coach

A young and inexperienced team meet a new head coach and a new offense this year. Larry Thompson, who took over the head coaching job after the resignation of Gary Hveem, installed the veer offense.

Maurice Washington was selected second team All Big Eight at split end and first team All Big Five. Eddie Carr was also second team All Big Eight at defensive tackle.

"The players ended the season with excellent attitudes," Coach Thompson commented, "despite the record." Although not winning a game this season, the players learned what it takes to become a winner, according to Coach Thompson.

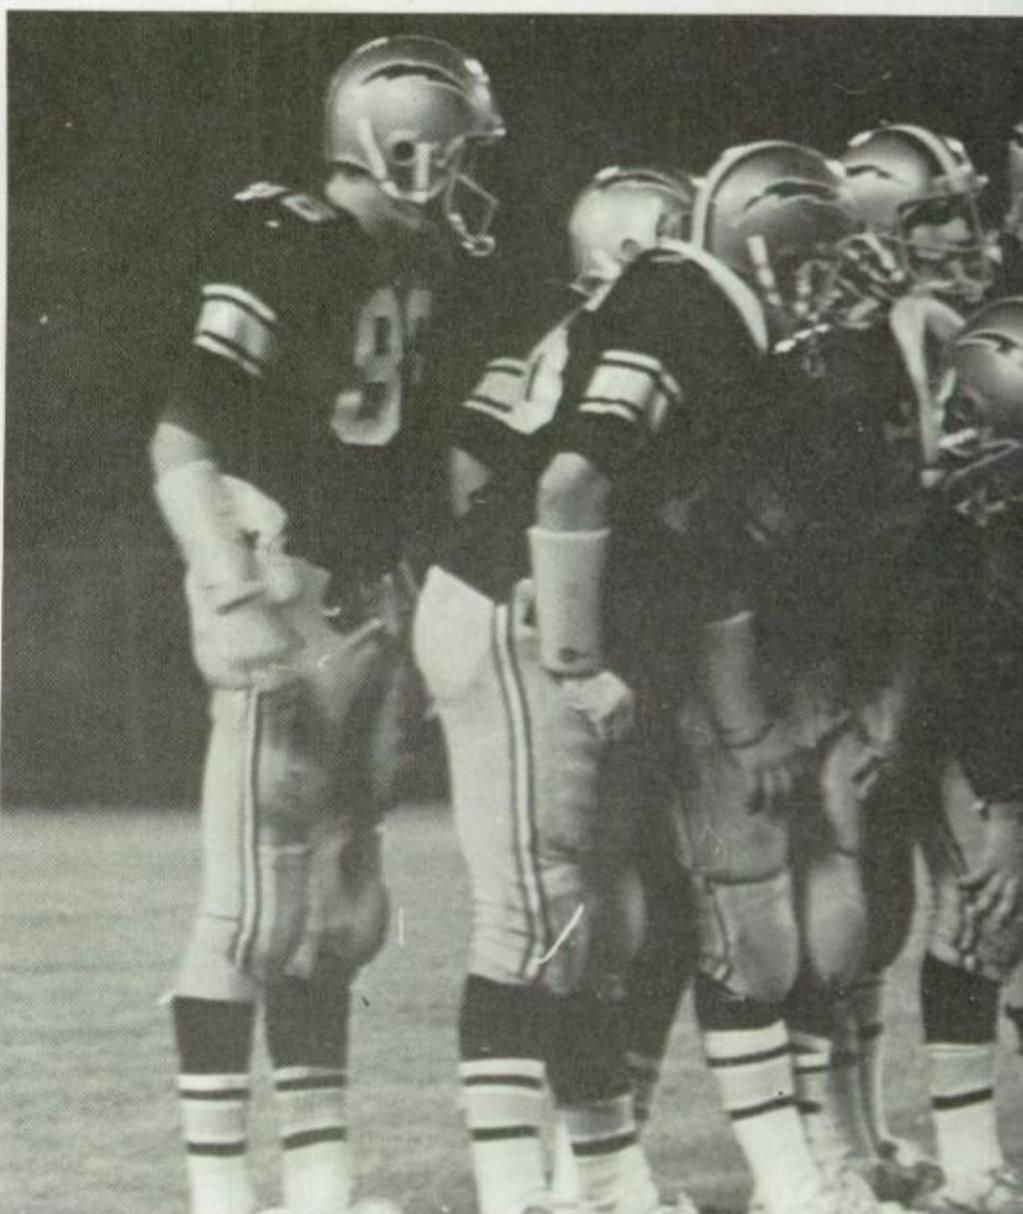

Honors this year went to: Maurice Washington, most valuable player; John Rowe, offensive lineman; Brad Honn, offensive back; Anthony Smith, defensive lineman; and Maurice Washington, defensive back.

Best runner effort late

This year's best effort, according to cross country coach Agris Aperans, came at the district meet, at which the team members placed eleventh out of 14 teams. Runner Jim Nerison placed sixth at district to qualify for state competition. He placed thirty-third in class AA at the state meet.

The team lacked experience but through hard work and effort the members of the team made personal improvement in their times, said Coach Aperans.

The runners had three dual meets, two with Dike and one with Co-lumbus. Coach Aperans said although they didn't win any of these, they did improve with each one.

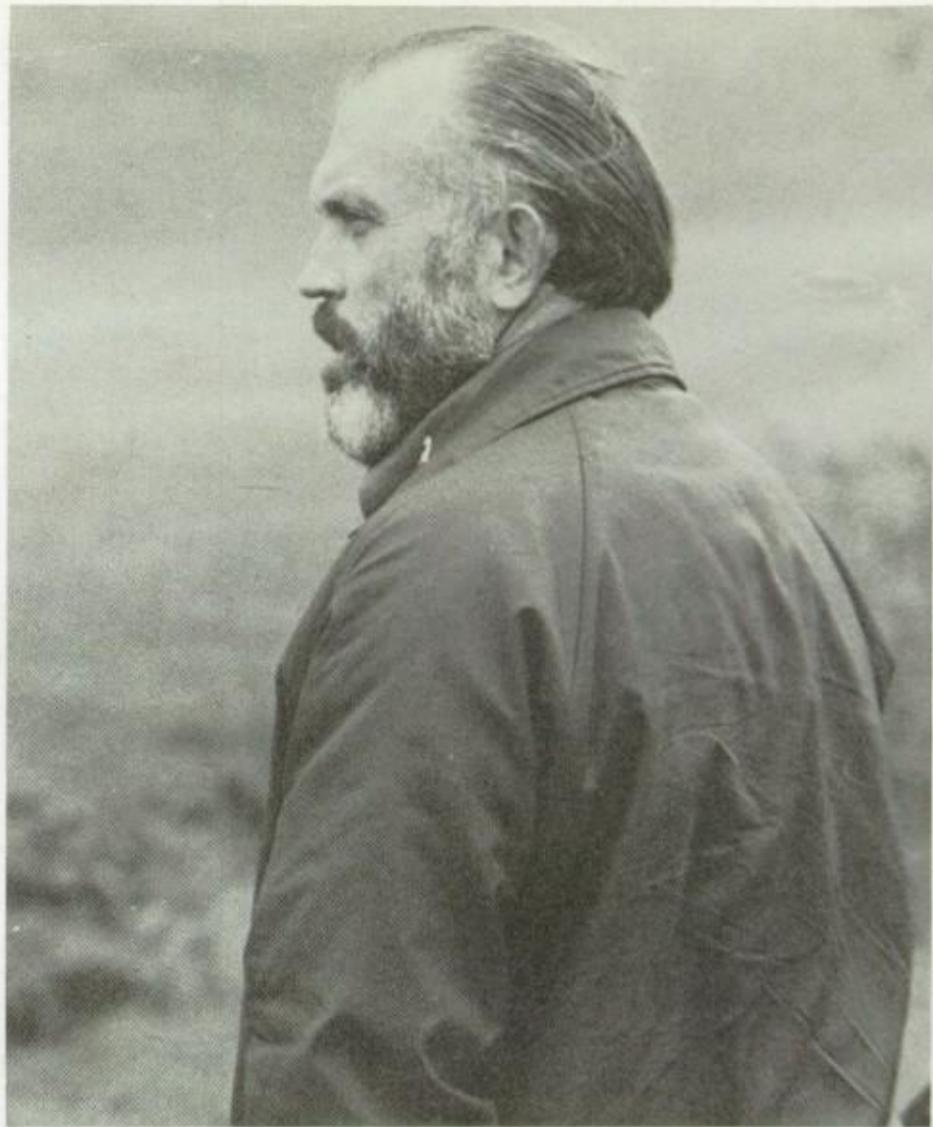

Team honors went to Jim Nerison, most valuable runner; Jeff Pries, most valuable junior; and Todd Olmstead, most valuable sophomore.

Twelve girls outnumbered in water

With only 12 members on the team, coach Dan Brandon's girls' swim team finished the season with one win out of 13 meets, and that was a default by Columbus.

According to Brandon, he couldn't put enough swimmers in the water to make enough difference in dual meets.

However, in the conference meet the swimmers proved they had the power by placing seventh. Kay Duhrkopf placed sixth in the 100 yard butterfly and fifth in the 100 yard breaststroke with times of 1:09.8 and 1:18.4. In the district meet Kay turned things around a little placing fifth in the 100 yard butterfly and sixth in the 100 yard breaststroke with times of 1:10.1 and 1:18.9.

Individual honors were given to Sue Wexter, most valuable, and Kay Duhrkopf, most outstanding swimmer.

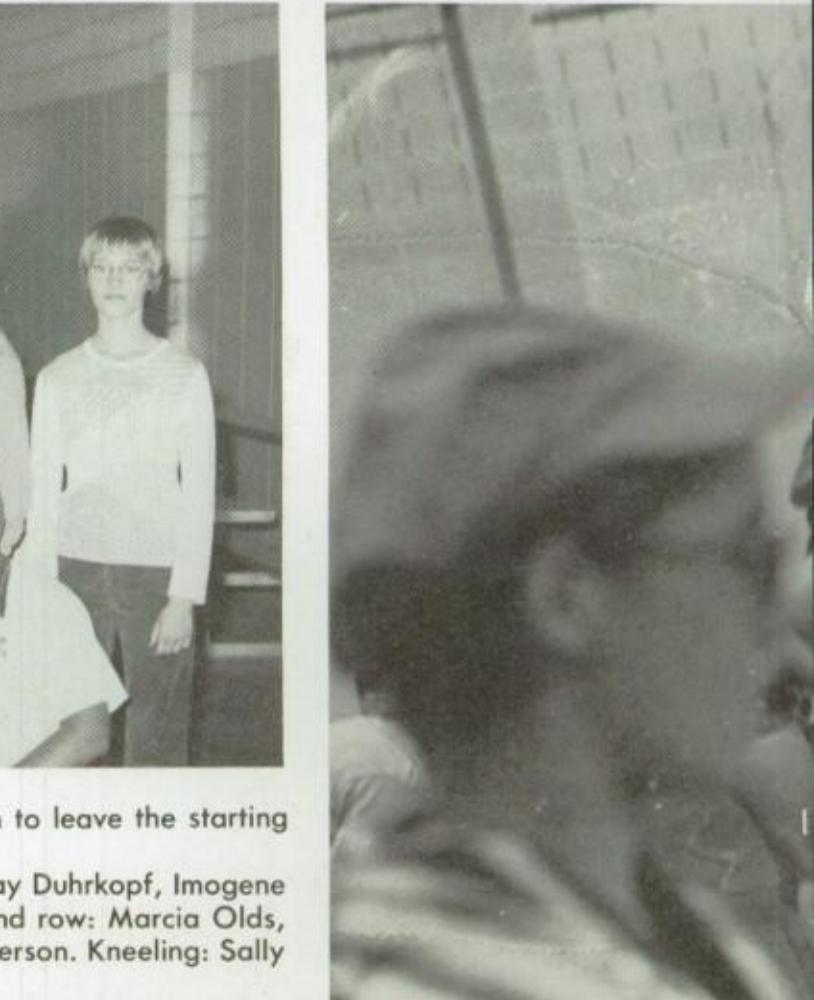

According to the coach, the loss of Sue Wexter, Kay Duhrkopf, Andy Olds, Toni Wilson, Imogene Gaston and Lesa Ferguson will hurt the team next year.

"Needless to say we will be a very young squad next year," he said. On the brighter side, he is anticipating the return of sophomore Mary Gaston who is strong in the breaststroke.

Letterwinners aide net team

The girls' volleyball team, coached by Mrs. Sue Koch, finished the season with four wins and 13 losses for the varsity, and six wins and eight losses for the junior varsity teams.

According to Coach Koch, several returning letterwinners did a very good job. They were Tracy Aves, Terry Weathermon, Kay Readyhough, and honorary team captain Rochelle Beier. The most improved player was Denise Thiele but Jamie Michaels also showed great improvement.

The high point of the season was the match in which the Chargers met Cedar Falls in the finals of the district tournament. Although the team lost to the Tigers, the girls played their best and gave Cedar Falls a real run for the championship, according to Coach Koch.

L. S. Movement plays at dance

Gayle Hrdlicka was chosen homecoming queen this year after a major change was made in the royalty selection process. The change was made after representatives from all three Waterloo high schools met to discuss a uniform way of selecting royalty candidates.

The meetings resulted in the school attendance area being divided into four precincts from which students selected candidates, plus an at large area. Two weeks prior to homecoming game against the Marshalltown Bobcats students voted for candidates from their precincts plus at large candidates. The top vote getters from each precinct became the queen candidates and their pictures were displayed in the show case before the final voting.

Each day of the week was designated a special day, indicating the way students were to dress. The days were security day, mix'n'match day, grub day, inside out day, and blue and gold day.

During the halftime ceremonies floats made by Student Senate members added to the royalty parade. After the losing game against the Bobcats, L.S. Movement provided the music for the dance in the Commons.

In addition to queen Gayle, other candidates were Kandi Amfahr, Julie Beghtel, Rochelle Beier, June Brooks, Carletta Carpenter, Kay Duhrkopf, Kim Elliott, Carolyn Gardner, Jackie Joens, Julia Moore, Terri Patten, Cindy Pollow, Peggy Rotton, Lynn Rydeen, Diane Shepard, Jackie Siegel, Karen Tibbets, Susan Wexter, Cindy Woodward, and Kim Zangerle.

Circus mood created

The fall production, "Carnival," opened with balloons flying and popcorn, cotton candy and treats being passed out to theater goers. From the opening curtain to the end of the show, the production was designed to involve the audience in the show.

Directing the show was Mrs. Carole Gibbs, assisted by Mr. John Adamson, lighting; Mr. Craig Van Berkum, music; and Mr. Richard Wright, band. Production dates were Nov. 8, 9, 11, 12, and 13. The show involved over 100 students.

For the first time, seats were reserved so those attending didn't have to come so early to be assured of a good seat.

"Carnival" was dedicated to Mr. Stan Wood, a professor of speech and director of theater at the University of Northern Iowa until 1972, who died in 1976.

The play is about a young orphan, Lili, who goes to work for a run down circus owned by Mr. B.F. Schlegel. After failing at the tasks given her at the circus, she attempts to take her life but is talked down from the "leap for life" ladder. Ultimately, she falls in love with the crippled puppeteer and the play ends happily.

In addition to the clowns and vendors going out in the audience during the show, the set and the costumes also were designed to add to the carnival atmosphere. The show had a dancing bear and Siamese twins in addition to many typical carnival acts. Special costumes were ordered for these novelty acts, but many of the others were made by cast and crew members.

Set changes took place before the audience as the roustabouts changed the moveable pieces for each scene. The set art work was done by Diane Walther and Mark McCusker, with other students helping with the painting.

Girls set best season record

The girls' basketball record was broken this year with 9 wins and 13 losses. Coached by Gary Weichman, this team's strength was in the play of the forwards.

Sue Wexter, who was honored first Big Five, most valuable forward and team captain, played outstanding all year long. According to Coach Weichman, continuous improvement came from sophomore Rhonda Amphar. She was given honorable mention in the All Big Five, the only sophomore to receive this.

Other honors were given to Jody Cook and Valerie Burkett as most valuable guards; Corrine Meihost, most improved forward; Sarah Bittner, most improved guard; Rhonda Amphar, most outstanding and new forward; Kathy Kriener, most outstanding and new guard; Rochelle Beier, most valuable reserve guard; Terry Weathermon, team spirit award; and Sue Wexter, team captain.

The highlights of the season, Coach Weichman said, were the two victories over the Columbus Sailors after losing seven games to them over the past three years. "It was very gratifying to the team to beat them twice," said Coach Weichman.

Central placed third in the sectionals tournament which gave them a plaque, the first plaque a girls' basketball team here has won.

Inexperienced team ends 3-6

According to Coach Gene Luttrell, the wrestling team members were mostly inexperienced which created problems for the team in dual meets. However, they did better as the season progressed, ending up with a 3-6-0 season record. Coach Luttrell was assisted by Coach Mike Allen.

As a team, the wrestlers received a fifth place in both the Cedar Falls and Algona Invitationals. Both invitationals included eight teams.

At the district tournament, the wrestlers placed fourth out of eight teams and they placed fifteenth out of 64 teams in the state tournament in Des Moines.

Individual honors went to: Dennis Bush, second team Big 8; Marc Davis, honorable mention, Big 8; Dick Fencl, honorable mention, Big 8; Larry Luttrell, champion (132) and outstanding wrestler at Cedar Falls Invitational, champion at Algona Invitational, first team Big 8, district champ at 126, and second in state; Maurice Washington, honorable mention Big 8, district champ at 167; Tony Wessely, champion (119) at Cedar Falls and Algona Invitationals, second team Big 8, district champ at 119 and fifth in state.

'Lack of depth' hampers swimmers

"We had a very extreme lack of depth in our swimming events," said Coach Dan Brandon of the boys' swimming team, discussing the team's 2-13 record.

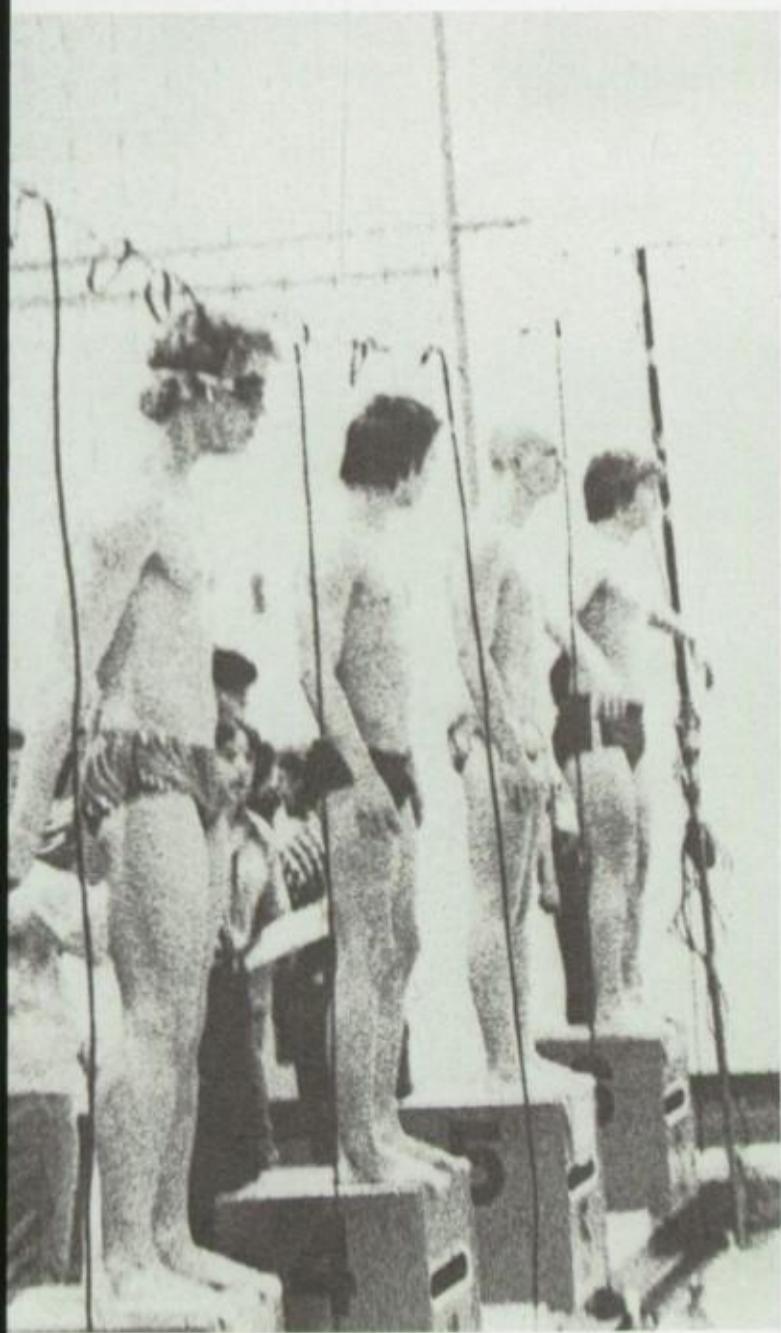

However, the team was strong in the breaststroke and in the top of each other event, he said.

Three individual records were set. Dave Hansen set a new time of 1:06.2 in the 100 yard breaststroke; Paul Ashmore set two records with a time of 2:16.2 in the individual medley, and 5:42.0 in the 500 yard freestyle.

At the conference meet Dave Hansen placed 4th in the 100 breaststroke with a time of 1:08.3, placed 5th in district in the same event with a time of 1:08.2, and placed 16th in state in the same event with a time of 1:06.2. Paul Ashmore placed 8th in the 100 breaststroke with a time of 1:08.8 and 12th in the 200 individual medley with a time of 2:17.7. In the conference meet the team placed 8th. In district they placed 10th.

Each week a different gymnast was honored by Coach Karen Dworschack and the other gymnasts.

According to the coach, the girls learned a lot and improved in floor exercise. Freshmen Patty Tillman and Jodi Patten, she said, were a big help to the team.

Improved team starts league play

The Waterloo Warriors hockey team, which was comprised of 22 players from Central, East, West, Edison Junior and Hoover Junior, closed its second season with an overall record of 4-12.

It was the team's first year in league competition and even though the Warriors had a losing season, Coaches Scott Smith and Steve Schell both agreed that the team greatly improved over the initial season.

Playing from Central were Clyde Pratt, Dana King, Dana Smith, Chuck O'Banion, Jay Koweil, Bob Neelans, Dean Richardson, Mike Murphy, Jay Dinnebier, Dave Crowe, Jeff Ernst, team manager.

Jay Dinnebier made the most points and goals in a season, Mike Murphy made the first home goal and Dean Richardson made the first home assist.

The Warriors were predominantly a junior squad since there were only three graduating seniors, so the coaches are looking forward to a brighter future.

Bowling continued third year

For the third year, Mrs. Sue Koch sponsored the winter intramural bowling program to give students a chance to be involved in athletic competition and to have fun doing it.

The 60 bowlers met at Maple Lanes after school once a week to bowl three games. Shoes were provided courtesy of the business.

At the end of the season awards were presented at a special banquet for all bowlers. Members of the first place team were Ken Burrrington, Mark Tillman and Dan Peverill. Mixed doubles champs were Dennis Dally and Marilyn Gress.

Personality clash shown in stage mental ward

Life in a mental institution was seen in the winter play, "One Flew Over the Cuckoo's Nest." The production, directed by Mrs. Carole Gibbs, was seen Feb. 10, 11, and 12.

The setting for the play, which was written by Ken Kesey and adapted by Dale Wasserman, is a mental institution in the Pacific Northwest.

Mary Miller was stage manager, and Tammy Dickinson was the light technician. Assistant light directors were Dave Lathrop and Don Luppen. Kelly McKernan was the assistant stage manager and Annette Anderson handled publicity for the production.

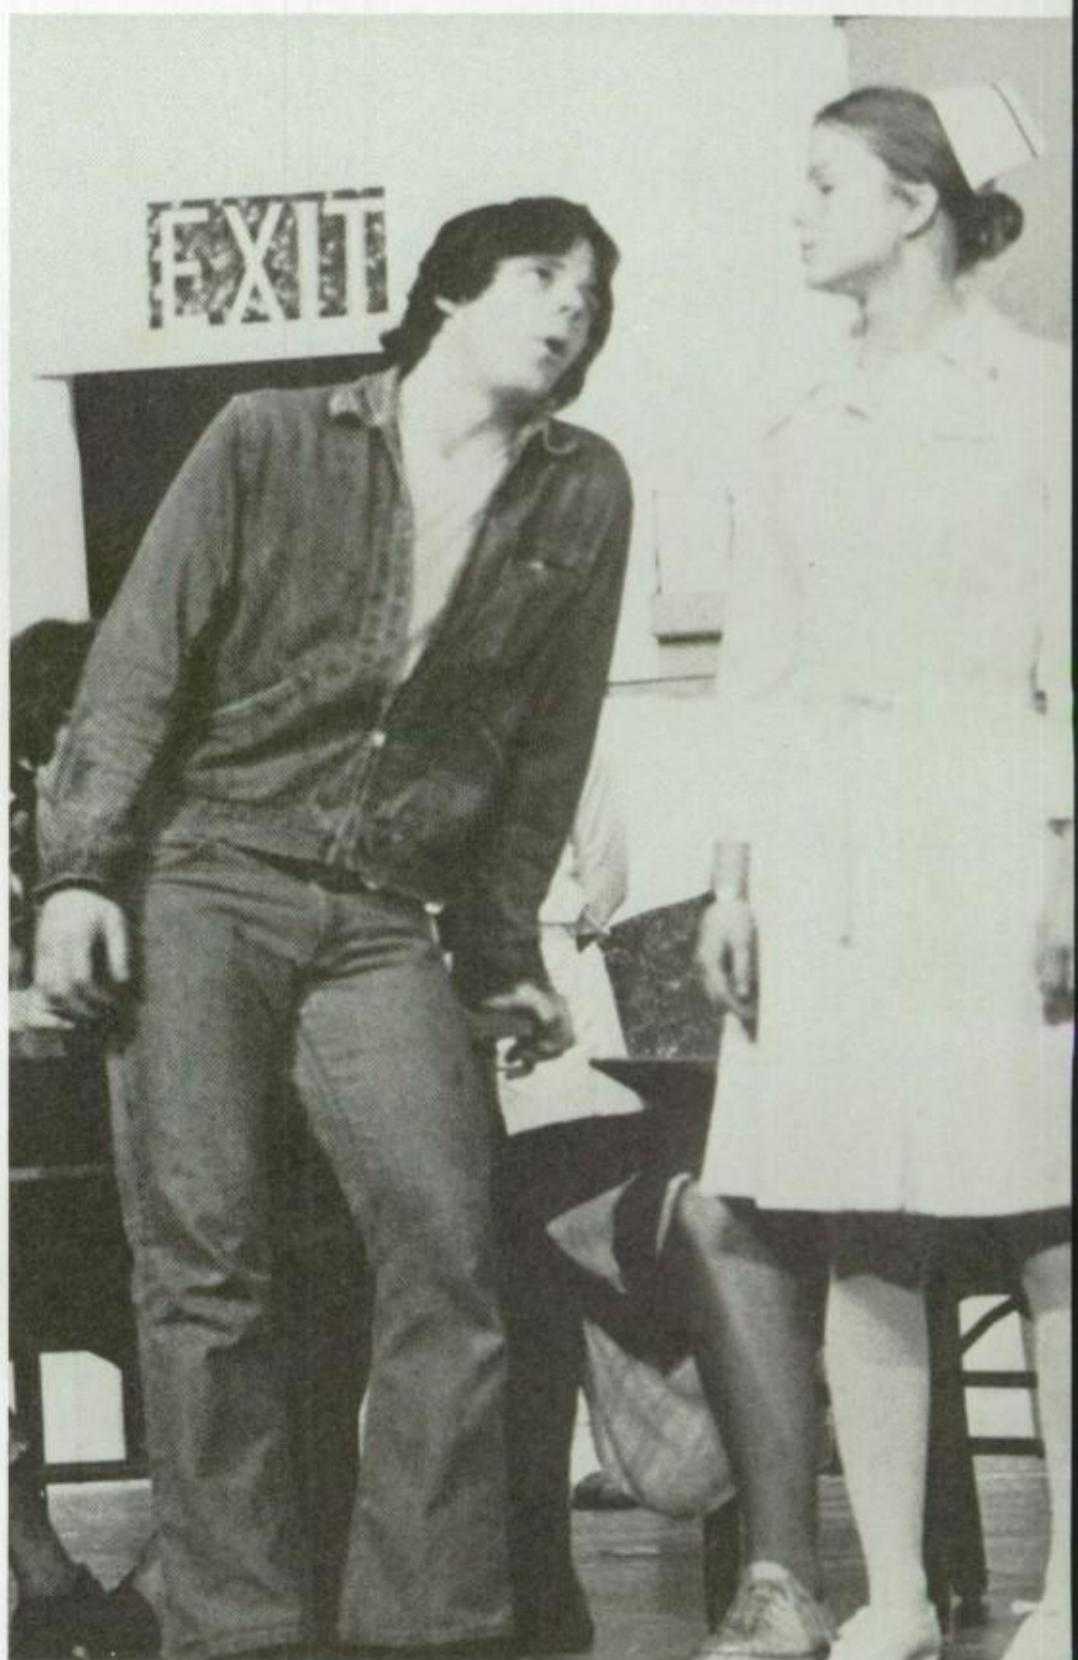

Mr. Cal Wolfe and Mr. Julian Olson assisted with stage design and construction, in addition to the technical theater class and cast members.

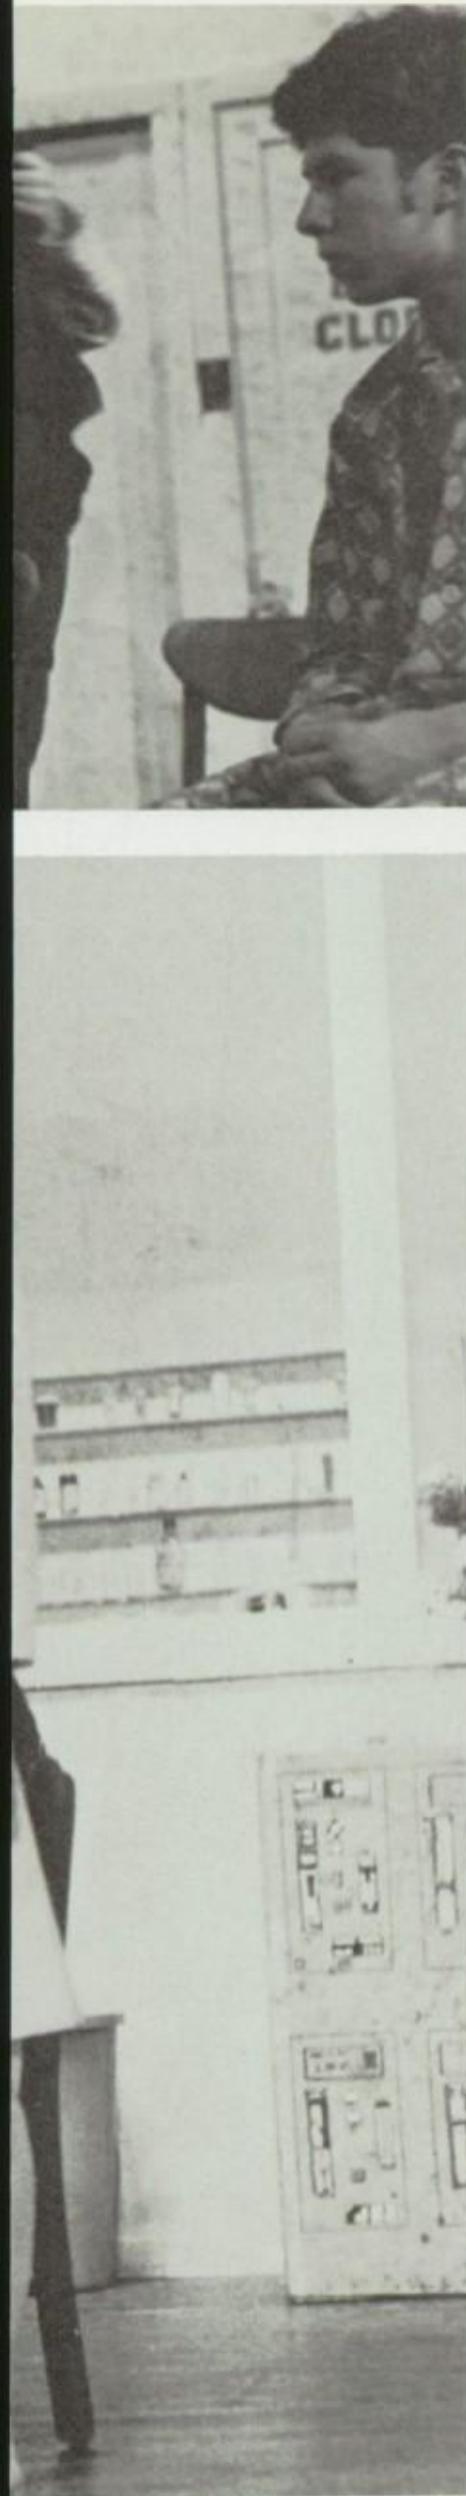

The play basically showed a clash between two people who have different life styles. Nurse Ratched believed in strict orders and rigorous routines. She wanted the patients to be dependent upon her.

Randle P. McMurphy was the type of person who loved life and believed in freedom. Many of the patients grew fond of McMurphy because he changed their boring routine lives and treated them like human beings.

Above: Although he didn't have any lines to memorize in the play, Perry Berger's part was difficult. He was required to stand on the stage during the entire performance in a catatonic trance; and to prepare himself for the part, Perry had to shave his head.

Pop tunes featured in Coffee House

Amid peanut shells, electric cords, and lights, Coffee House IV was presented by the concert choir March 8, 10, 11, and 12. The Younger Delegation made its debut and the singing waitresses and hostesses served refreshments to the 950 people who attended.

The theme was "What a Day for a Daydream" and featured many pop songs in a nightclub atmosphere.

Soloists were Jackie Joens, Nettie Craun, Alan Stoner, and Donn Cook, with Sherry Perry featured in "Oh Happy Day" and Mary Miller in "Fill the World with Love." The 18-member Delegation performed some wild choreography and songs as well as some very mellow tunes under soft lights.

Once again Mrs. Carole Gibbs held the show together as stage manager. She directed the Coffee House Players and tech director. Some of the novelty numbers were "Razzle Dazzle," performed by the chorus girls, and "All I Have to Do is Dream" by the P.J.'s. The choir rounded off each night's performance with "Don't Take Away the Music" with flashpots and strobe lights.

Coach Dick Miller attributed the successful season to the leadership, both on and off the track, of the four senior captains, backed up by a strong squad of 18 sophomores. This was the largest team in numbers Central has fielded. The four senior captains were Brad Honn, Claude Manning, Jim Nerison, and Maurice Washington.

Girls break school records

Girls track had a tough season but they had a lot of good sophomores who Coach Karen Dworschack will be counting on next year. The bright spot of the season was their only dual meet win against Denver.

Karma Stevens led the way in the 880 run, setting a new school record of 2:23. Jeanette Brown set a new record for the high jump with a jump of 5'2", and Sue Wexter again broke her own record in the softball with a throw of 224 feet.

Jeanette Brown placed third in the high jump at districts and first at the Big Eight meet. Senior Sue Wexter was twice champion in softball at the district and Big Eight meets, and placed sixth in the state meet.

Jeanette and Sue co-captained the team and Jeanette was named most valuable.

In dual meets, Central lost to Jesup 91-49, and beat Denver 75-70. In a triangular meet Central scored 30.5, against Cedar Falls, 50.5, and Waverly, 111.

At invitationals the Chargers placed seventh at the Fillie Relays, fourth at the East Invitational, placed fifth at the Hempstead Relays, placed seventh in the Big Five meet and eighth at the East Buchanan Relays.

Team to return five golfers

Coached by Mr. Pat Enwright, the golf team lost only two seniors and will have five starters back next year.

Randy Wexter, a ninth grader from West Jr. started every meet. He will be attending Central next year and will be a big asset to the team.

According to Coach Enwright, Tony Foss, Joe Fox, Jim Johnson, and Randy Krief made progress and they should be in much better form next year.

Joe Fox was named the most valuable player and letters were received by Jim Johnson, Joe Fox, Randy Krief, Randy Wexter, Joe Heinen, Tony Foss, Dennis Lowe, Rick Beier, Brad Thompson, and Greg Shriner.

The team placed second in a triangular with NU High and Cedar Falls; placed fourth in a quadrangular with Cedar Falls, Columbus and West; placed second in a quadrangular with Cedar Falls, NU High and East; placed second in a triangular with Grundy Center and Tama; and placed third in a quadrangular with East, Columbus and West.

At the conference meet in Ames the players came in seventh, and at the district meet they came in sixth.

Vocalists added to jazz show

The fifth annual 'N All That Jazz, presented April 29 in the Little Theater, had two new features—a new director for the jazz band and vocalists.

Mr. Richard Wright, in his first year here, added the vocalists because he has always used singers with jazz bands. The vocalists were backed by the band for four numbers.

Featured as vocalists were Donn Cook, Allan Stoner, Jackie Joens, Mark Brown, and Nettie Craun.

Assisting Mr. Wright in directing the 20-piece jazz band was Mark Acord, a student teacher from the University of Northern Iowa.

Karma plays at all-city

In their first Iowa appearance, Karma, a band from Manitowac, Wisc., played for the second all-city dance. The dance, May 14 at Conway Civic Center, was started last year by the all-city human relations committee to honor graduating seniors from all four city high schools.

The committee, advised by Mr. W. Ray Richardson and Mrs. Sally Turner from the system's Department of School-Community Relations, is comprised of about 25 students from Central, Columbus, East and West.

The purpose of the committee is to promote better relations among the students of all four schools.

Central students from the committee were in charge of advertising for the dance, which was from 9 p.m. to 1 a.m.

Central committee members were Tommy Anderson, Brian Boesen, Anthony Dudley, Marcus Gardner, Cynthia Holmes, Pat Jones, Barbara Montgomery, Darlene Shavers, Bret Spaulding and Julie Tyler.

Cast helps direct show

Changing from a winter to a spring date, the fourth Informal Evening of Theater was May 19 at 8 p.m. in the Little Theater.

The show, directed by Mrs. Carole Gibbs and the cast, featured humorous and dramatic skits, mime, music and speech events, and ended with the entire cast singing "Let There Be Peace on Earth."

Tammy Dickinson served as the light technician, Kathy Garrett was the stage manager and Kathy Klocke was the assistant light technician.

Musical accompaniment was provided by Donn Cook, Mary Miller and Sara Short on piano, Tim Mussett on percussion and Mary Miller on guitar.

The show was the last for the year and featured a salute to the graduating seniors when Sallie Bentley sang "When I Need You."

Conway chosen for prom

Because Conway Civic Center was chosen to be the site for the prom, the juniors had to raise over \$1,600. Over 100 couples attended the dance at the Center.

Kathy Hilby was chairperson of the fund raising committee which sponsored an all city dance to raise money. Other fund raising activities were bake sales and concessions.

Decorations included a seven and one half foot silhouette of a couple and two six foot silhouettes made by Diane Walther. When couples arrived, they walked under a white wrought iron arch and down a white carpet flanked by floral bouquets.

Serving as hosts and hostesses were Stacey Kahler, Jay Dinebier, Teresa Halligan, Bill Seeman, Nadine Levendusky, Dennis Bush, Madonna Hutchins, Marcus Gardner, Lynda Remling, and Jeff Streblow.

Writers struggle with finances, attend workshops

Knightly News staff members published nine four-page tabloids and one eight-page tabloid before winter break.

The paper, sectioned with news, editorials, features, and sports, tried to keep students informed of events, issues, and topics of major interest.

Keeping afloat financially was a main problem, as students sold everything from

suckers to Pizza Hut calenders.

The entire staff traveled to Iowa City in the fall for the annual Iowa High School Press Association convention.

Five staff members participated in the special day on the job project sponsored by the Northeast Iowa Chapter of Women in Communications, Inc.

Book's internal structure altered by yearbook staff

The yearbook staff restructured the book, adding dividers headed fall, winter and spring, in addition to the regular sections such as classes and organizations.

Staff members used a special type of lettering called press type for the cover and the division pages.

Some special photography effects were achieved by using a fish-eye lens. These pictures were used on end pages and the division pages.

The year's activities began with the staff attending the annual Iowa High School Press Association convention in Iowa City.

As in other years, the staff members were forced to raise money for the book. They began the year selling chocolate bars, added pizza calendars to their list later, and finished their "salesmanship" by selling suckers.

In addition to the items that were sold to raise money, staff members sold about \$1,000 in advertising to support the book.

Minneapolis trip caps coop program

The two main cooperative education activities for this year were the annual coop banquet in February and a trip to Minneapolis in April to explore the business world.

Five coop programs are offered for senior students. They are: distributive education, office education, trades and industries, health and foods.

Distributive education is based on human relations, emphasizing how employees should be able to get along with other employees. The class also deals with economics, advertising display, salesmanship, and inventory control. For the DE student appreciation day, all students met at a restaurant for pizza.

Office education is based on giving students an idea of group participation, leadership development, and career study. The opportunity to see what offices and the business world is like is provided. As with all coop programs, there are three phases to office ed: classroom instruction, on the job training, and club work.

Trades and industries studies the world of work in three ways. The students study the safety aspects of work, including Occupational Safety and Health Act. The students also study the areas of eye protection, electrical safety, plus general materials such as income tax, labor unions, and other factors that effect work.

Health coop consists of nurse assistants, hospital messengers, and orderlies. These students work in hospitals and in dental offices. During the year they sold candy to pay for activities such as field trips to the campus of the University of Iowa. Students also visited treatment areas of different hospitals and a prothesis business, and took a trip to Vinton School for the Blind.

Home economics coop provides training in hospitals, restaurants, nursing homes, child care centers, department stores, fast-food operations, and dry cleaning businesses. During class students study topics relevant to their jobs. Each student works 15-30 hours a week.

FBLA collects for dystrophy

Starting with collecting money for the Jerry Lewis Muscular Dystrophy Telethon in September, members of Future Business Leaders of America were active all year.

Sponsored by Mrs. Lola Lakin, the club participated in a drive to collect cosmetics and clothes for the people of Bangladesh, sponsored a Halloween dance in the Commons, helped with the March of Dimes Walk-a-thon, and enjoyed a progressive dinner party in December.

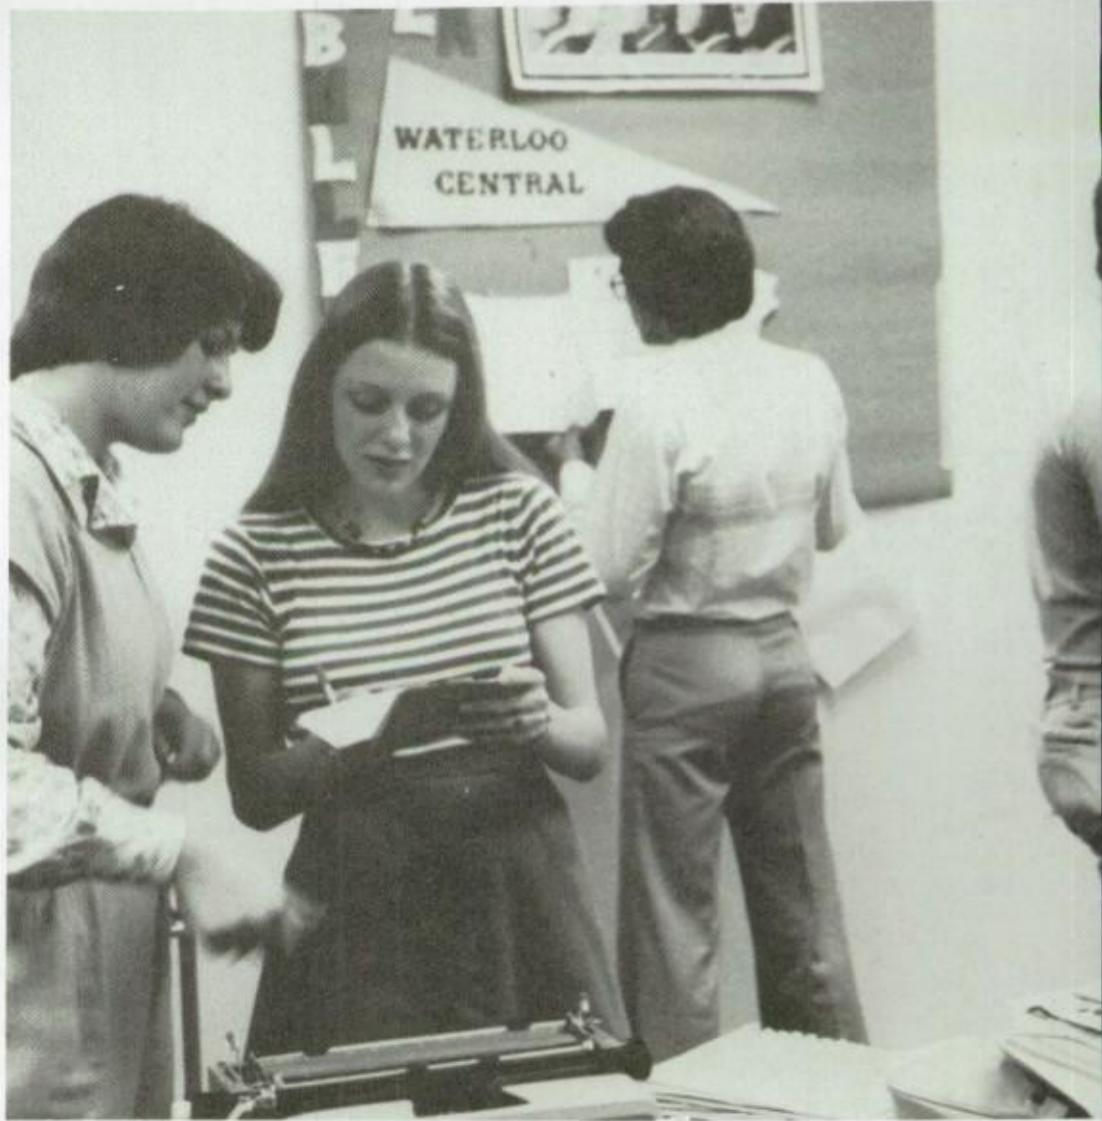

Members sold Tupperware, suckers, eggs, candy and athletic programs to pay for the year's events.

President Becky Remling represented the club as a state officer.

Workshops attended, penal reform debated

Seven debators, coached by Mr. Steve Boesen, started the season attending two workshops, one at the University of Iowa and one at the University of Northern Iowa. The workshops were to prepare debators for the topic of penal reform in the United States.

Debating affirmative were Wanda Helms, Kellie McKernan, Kevin Smith and Stephanie Myers. Negative debators were Jim McKernan, Phil Cleaver and Perry Myers.

The team attended seven debate tournaments at Iowa City, Dubuque, Des Moines, Waverly and Cedar Falls. The team, most of whose members were first-year debators, took second place at the Waverly tournament and Kevin Smith was named top speaker.

To raise money to attend the tournaments, team members sponsored a dance-a-thon at the homecoming dance and sold helium balloons at football games.

Senate promotes social events, school clean-up, beautification

The Student Senate was involved in the promotion of several social events, such as the homecoming and Christmas dances and a human relations dance for students from all schools.

Fund-raising was an on-going function as the senate had charge of concessions at athletic events, sold jewelry, candy, suckers, sweaters, and numerous other items.

A third major area of senate concern was the promotion of school pride. They continued to encourage students to maintain a clean campus and were instrumental in promoting the painting of Central Chargers and emblems on the gym walls.

As a final effort, the senate authorized the purchase of ornamental and shade trees to beautify the school grounds.

Students to tour Mexico

This year nine students from the Foreign Language Club will be participating in the 10-day trip to Mexico City and to Acapulco. These students will be accompanied by students from all over the United States in connection with the American Study Travel Abroad.

A highlight of the club's year, sponsored by Mrs. Dalila Amend, was a program on Kung Fu by Nicolas Octavianni. He showed moves and positions of self-defense.

The annual Christmas potluck was again one of the club's festive meetings. Everyone brought dishes from various countries for members to feast on.

Eleven in April Model UN

Eleven Central students, guided by Mr. James Schroeder, were involved in Model UN, April 14-16, sponsored each year by UNI. Students debate on leading world issues with other students from throughout the State using the format of the United Nations.

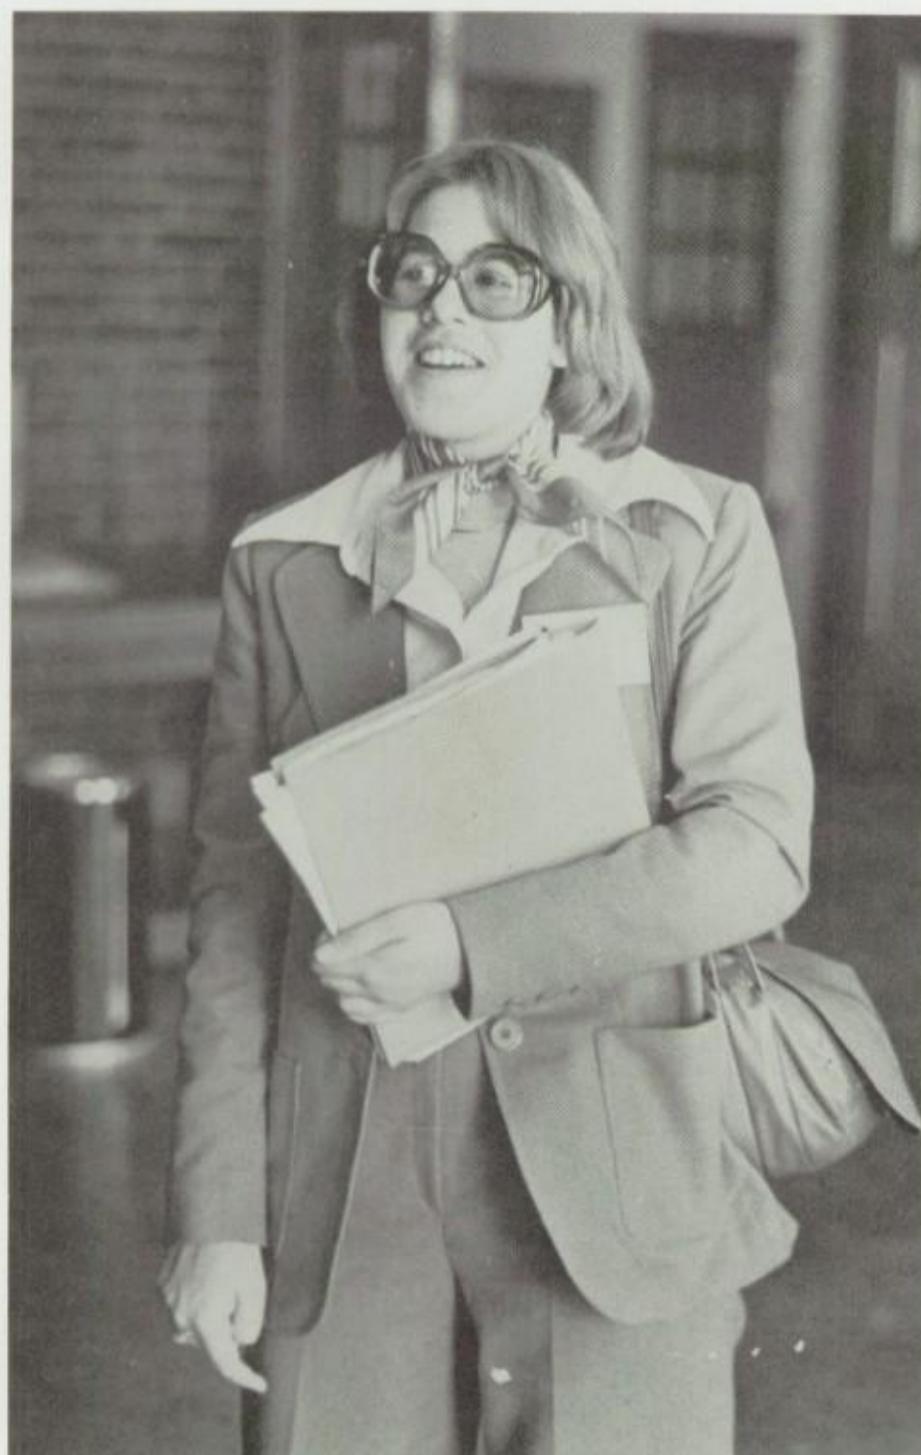

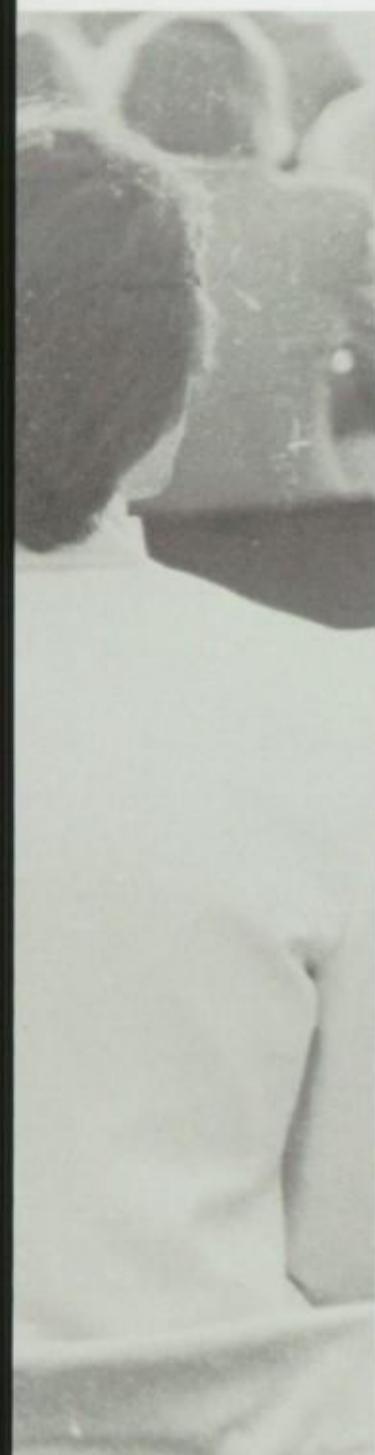

The eleven students involved were Keith Billings, Dennis Bush, Marla Romanoff, Stephanie Myers, Kelly McKernan, Cinda Welshans, Karen Tibbets, Kevin Smith, Diane Walther, Dan Bowersox, and Becky Remling. These students either asked to join or were recommended by teachers.

Each school could sign up for what nation they wanted to represent. This year Central represented the nations of Uganda and Argentina.

Enlarged orchestra recruits new members

With more than twice the members of last year and a new director, the orchestra expanded its program.

The players participated in the fall concert with the sophomore chorus. At Christmas time, the orchestra played at Russell House during its annual open house.

In an attempt to recruit new members, orchestra members also played at Logan Junior High.

In May the orchestra played in the Metro Music Festival hosted here. Other schools participating were Cedar Falls, East and West. It was conducted by guest Dr. Richard Sieber from the University of Minnesota. The orchestra performed five selections.

Band plays for 50 shows

One of the three new instructors in the music department was Mr. Richard Wright, instrumental director, who came from West High. Assisting Mr. Wright part of the year was Mr. Mark Accord, student teacher.

The marching band performed for the spectators at four home football games and participated in the Cattle Congress parade. Chargerettes, a 16-girl flag team, performed with the marching band. The pep band played at eight basketball games and had many pep meetings. Three home concerts were sponsored by the concert band, which also played at two junior high concerts. Mr. Frederick Nyline and Mr. Richard Sieber were the guest conductors at the Metro Music Festival in May, in which the band participated.

As in other years band members again sold fruit to raise money. This year, with the help of many parents, members were able to raise \$2,500.

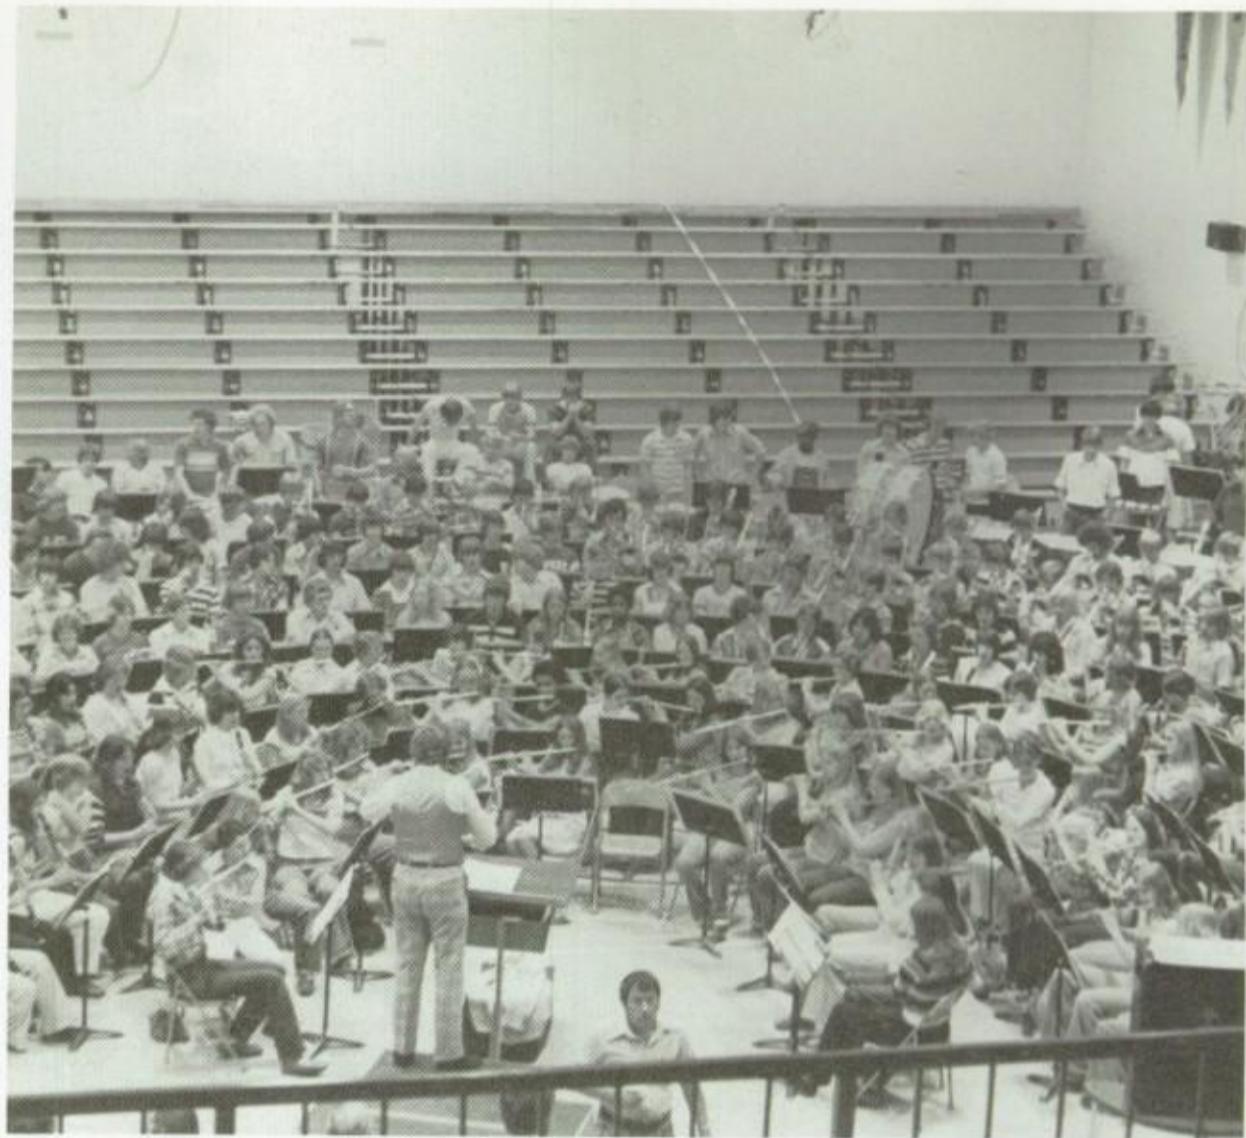

Jazz band, directed by Mr. Wright, presented the fifth annual 'N All That Jazz April 29 in the Little Theater. Many of the selections were written by well-known arrangers.

"The band members represented their school very well this year both in quality and quantity," said Mr. Wright. "The band averaged well over one performance for the public each week of the year. We also had 50 separate performances."
